

FSASC and Cardinal Health: Together — Bringing greater value to your center

Thanks to an exclusive agreement between the Florida Society of Ambulatory Surgical Centers and Cardinal Health, FSASC members statewide now have access to Cardinal Health's products, services and scale to drive savings and value at their centers.

What does this agreement mean for me?

This exclusive agreement with Cardinal Health gives you access to favorable terms and pricing on our products. Additionally, members can take advantage of services and other resources available from Cardinal Health to support your goals of operational and clinical excellence. Here are just a few examples of the ways Cardinal Health can help:

- ✓ Logistics and shipping savings
- ✓ Custom kitting services and products
- ✓ Clinical experts who work with you to identify efficiency improvements
- ✓ GPO contracted products
- ✓ Opportunities for rebates through our Essential Rewards program
- ✓ Next-day pharmaceutical product services

How does it work?

It's easy to get the benefits of this program. Your Cardinal Health representative will work with you on setup and implementation.
