

WHAT IS YOUR CENTER MISSING?

YOUR RESOURCE

FSASC is a valued resource to members, helping to answer the many questions that administrators face daily. Members access the most current, up to date resources on a variety of topics, specific ASC related education and concierge customer service.

YOUR ADVOCATE

The Florida Society of Ambulatory Surgical Centers maintains an active presence in Tallahassee with full time staff including a lobbyist specializing in ASC issues. FSASC makes sure that your center is protected from burdensome laws and regulations and ensures that lawmakers know the value of ASCs to Florida's communities.

YOUR ASSOCIATION

A well-developed association is a source of information, mentors and referrals for everything from suppliers to equipment. FSASC Members have exclusive access to savings on the purchase of essential products and services including group purchasing, medical malpractice insurance and employer leasing programs through FSASC's ASC Member Advantage Program.
